2022/23 SOCIETY OF CLASSICAL BALLET EXAMINATION CLASSES

For students aged 7 years old and over who have attained a high standard in their level, WSD offers the opportunity to take certified examinations through the Society of Classical Ballet. Examiners from the Society come to the school each year to evaluate and mark candidates. Our students consistently receive excellent grades and recognition which is acknowledged worldwide. Furthermore, these examinations lead to teaching certification and an advanced standing within the Society. The additional incentive to strive for an annual goal is important for good dance training and educational development of the dance student.

Please note: Due to the nature and content of all exam classes, a student may be required to spend two years in each level.
